

Attention!

8th-12th Grade

Math, Science & English Teachers

Earn a \$360 stipend!

The Educator Externship Program is available to all interested high school and 8th grade math, science and English teachers. Spend one week in a local business or agency and experience academics in a real-world setting.

This program awards a stipend of **\$360** for the development of contextual curriculum after successful completion of a 40-hour workweek at a company or organization. In addition, a Continuing Professional Education (CPE) certificate is awarded for 40 clock hours, which satisfies SBEC certification renewal requirements.

Interested teachers need to apply soon!

Limited stipends are available for the summer!

For more information, visit our web site at www.careersprep.com under the Educator Externship link. Fax your application to (915) 780-6507.

Previous program participants are not eligible to apply.
