Myrna C. Albin, Certified Senior Advisor
at Assurance Financial Services

Myrna C. Albin is a retired educator having served as a teacher, counselor, and administrator. After 30 years of serving in public schools, she started a new career in the insurance and investment industries because she saw that a great percent of her colleagues needed more information on retirement planning. After retirement from the education, she studied, took exams and opened an office to begin her new career. Her last years in education were devoted to counseling. Myrna spent several years in career counseling and actively engaged in job placement activities in Ysleta ISD. She has a Bachelor of Science degree and Master of Education from the University of Texas at El Paso. Myrna is a member of the National Association of Insurance & Financial Advisors (NAIFA), Certified Senior Advisors (CSA), Texas Retired Teachers Association, Lifetime PTA member, and serves on the Computer Career Center Advisory Council.

Fred Anaya, Career and Technology
Curriculum Specialist at Ysleta Independent
School District

EPACS
El Paso Association of Career Schools

We believe in our community and are working hard to encourage growth and development to make the community even stronger. These institutions believe that a mutual interest exists between the business community, the political leadership, and career schools and colleges to improve and enhance the quality of life in the El Paso area by providing the best possible training at the lowest cost in the shortest period of time.
