

Discovering the components of the unique individual spectrum is the first step in the process of understanding our values and attitudes. In addition, this knowledge opens the doors to a greater and more complete understanding of others, therefore increasing effective communication and work skills while reducing conflict.

Are you.....

Kind, Truthful, Friendly and Caring?

Trustworthy, Obedient, Polite and Organized?

Curious, Scientific, Logical and Clever?

Friendly, Energetic, Playful and Upbeat?

Come discover your
personality color!

Discover Your Personality Spectrum

An Insight Training

Thursday, January 22, 2003

1:00 pm - 3:00 pm

at Region 19 ESC

Paso Del Norte Room #3

Presented by:

James Valdez. Director

Upper Rio Grande College

Tech-Prep Youth Consortium

Brought to you by:

www.careersprep.com

In this training you will learn how to identify your own personality type and the style of others.

You will also learn...

How people prefer to think and feel, work and play, learn and teach, speak and write, lead and follow. And how to identify the attributes others admire, the values they cherish, and the activities that bring them joy.

Here are just a few questions this personality training may help you answer:

- ✓ What are my strengths and weaknesses?
- ✓ What jobs would I be good at?
- ✓ How can I motivate someone to do something differently?
- ✓ How do I get people to adopt my perspectives?
- ✓ How can I communicate most effectively with other people?
- ✓ What motivates different types of people to learn?
