"The Future Face of El Paso-Workforce Needs and Challenges" A Labor Market Information Panel Presentation

The purpose of this panel discussion is to aid and give information to guidance counselors, job developers, program administrators and educators about the current and future job trends for our region. With more accurate information as to pending job trends, we can better prepare our up-and-coming labor force before they choose and enter postsecondary educational institutions. Being aware of all job possibilities, especially those a few years down the road, is everyone's responsibility to help achieve a better trained workforce and improved economic development for our region.

FEATURING:

Debra Hester, Business Development Manager with Integrated Human Capital LLC

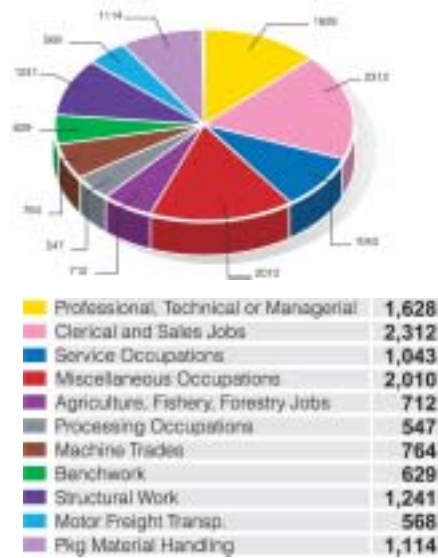

Theodore Andrews III, Business Services Manager with Upper Rio Grande at Work Career Centers ACS State & Local Solutions

Pancho Mangan, Director of Industry Recruitment and Retention with The Greater El Paso Chamber of Commerce

Join us for an important discussion on the dynamics of the El Paso Workforce.

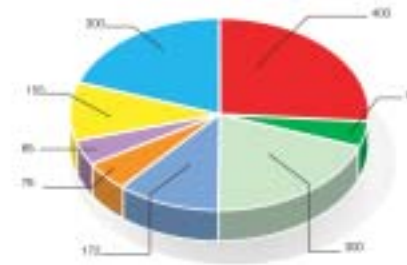

Topics to be covered include:

- ◆ Key Industries
- ◆ Demand Occupations
- ◆ Recruitment of New Businesses
- ◆ Staffing Needs and Trends
- ◆ Workforce Projections for the Future

Category of Job Orders in El Paso Industries Reported to Career Centers
