The Upper Rio Grande College Tech-Prep Youth Consortium will be holding its 12th Annual Regional Conference on Wednesday, August 17, 2011 and we would like you to be a part of it!

For twelve years the URG College Tech-Prep Youth Consortium has worked hard to bring quality speakers to the Upper Rio Grande region of Texas to speak about a variety of topics in order to ensure our Career and Technical Education instructors are given up to date information on Career and Technology courses and careers.

This year's conference will be held at the Judson F. Williams Convention Center in El Paso, Texas from 7:30am—4:30pm with an expected participation of over 500 Career and Technical Education instructors, administrators, and some college and university faculty and staff. Various local and state level conference topics will be presented throughout the day. There are many ways to get involved. We are constantly looking for exhibitors to showcase their CTE related information, upbeat presenters to give out valuable CTE related information to our audience, and any teachers who would like to showcase their high school CTSO program.

***IF YOU ARE INTERESTED IN OUR 12TH ANNUAL REGIONAL CONFERENCE, THERE ARE MANY WAYS TO GET INVOLVED!***

***YOUR PARTICIPATION MAKES A DIFFERENCE AND DIRECTLY IMPACTS THE GROWTH AND FUTURE
